HAPPY NEW YEARS FROM RLM!

2011 has arrived! This year we plan on having more potlucks, bands, games and party's at the RLM Bar than ever. Last year we limited it to Holiday weekends, as much fun as that was we want to do more. We hope to see everyone's smiling faces all summer long. We will keep all the events listed in the monthly newsletter to make sure no one misses anything.

MEMBERS

In order to prevent water line leaks all fresh water lines must be turned off while the boat is unoccupied. In the event of a leak occupant may be charged for the water loss.

Please ensure that all pets wear a current license tag at all times. Owners of pets will be asked to remove their animals from the premises if they are not wearing a license tag, if they are not being fully controlled, if they are not leashed, if they exhibit any signs of aggressiveness toward others, if they create a mess on the docks (please clean up after your pets), or if they are interfering with the quiet enjoyment of others.

For any questions please refer to the member rule and regulations handbook. Also available online at www.azmarinas.com
